Judicial Review of Jurisdictional Challenges in Investment Arbitration:
What Should Judges Do?

February 28, 2014, from Noon to 2:30 p.m.

Join us to hear a distinguished international panel share views of the judicial role in reviewing awards of investor-state arbitration panels, with reflections on Canada's experience in the Cargill v. Mexico NAFTA case as we await the US Supreme Court decision in the BG Group v. Argentina case.

This program takes place in two locations that will be linked by video conference. A buffet luncheon will be served. This event is free.
