News About Members

The newsletter has expanded to report news about Members. If you have something to report, please email that information to newsletter@ciarbnab.com. **To ensure the newsletter goes out the first business day of each month, it is requested that information for the July 2022 newsletter be submitted by June 15, 2022.**

When participating in a program or event of another organization, please remember to include in event fliers and publications, if possible, your post-nominal designations such as **FCI Arb**. In addition to showcasing credentials you have earned, doing so helps all members by raising recognition of CI Arb and, by association with you, helping to demonstrate that CI Arb members are highly qualified individuals who have been credentialed by what in our opinion is the world’s leading ADR credentialing organization.
