

June 2024

Message from the Chair

David E. Sharp FCI Arb

Dear all,

With the heat in Houston, it is hard to believe that summer does not officially begin until later this month. Heading into June, NAB is continuing to work on future programs and invites your thoughts on programs and anything else that you might suggest to improve NAB's delivery of value to its members. Send your suggestions to [me](#), [Cecilia Flores Rueda FCI Arb](#), [Reena Soni FCI Arb](#), your area's Chapter Chair, or any of the Board members. Contact information for Chapter Chairs and Board Members is available on [NAB's website](#) on the Chapters or Board of Directors pages that are found under the "About" tab on the website.

In May, NAB held a successful virtual ARF. Hopefully, all who took the exam will pass and become Fellows. Consideration is underway about when and where to hold the next in-person and virtual ARFs, including one in Hawaii next year. Stay tuned for announcements. And, if you have a good contact who might be of assistance with an ARF in Hawaii, please contact me or NAB's Vice Chair/Training, [John Pinney FCI Arb](#). Future webinars are also being planned. If you have an idea for a webinar or other program, please contact me or Reena Soni FCI Arb, NAB's Vice Chair/Programs.

The Texas Chapter, in association with JAMS, is going to have an evening conversation with NAB's next Chair, Cecilia Flores Rueda FCI Arb, on June 4 at JAMS in Houston. I will introduce the event and the discussion will be moderated by Michael Massengale FCI Arb. A big thank you JAMS for sponsoring and to the JAMS team of Sherman Humphrey, Margaret Pope, Beth Langs, and Brittny Sorrells for doing much of the heavy lifting! JAMS has been very supportive of NAB and, in addition to hosting prior ARFs, is presently collaborating with NAB on a program for the Miami Arbitration Week (MAW) later this year. That event is being planned by Sherman Humphrey and Ava Borrasso C.Arb., FCI Arb. Also, a big thank you to NAB's Texas Chapter Co-Chairs, Denise Peterson FCI Arb and Lisa Powell FCI Arb, for their organizational efforts. If you have any suggestions for a Chapter event, please let your Chapter Chair know.

Finally, NAB hopes to hear before month's end about whether it will host the CI Arb Congress next year. A decision on the location is expected to be made by CI Arb's International Board of Trustees during its June meeting. NAB submitted a very strong bid and is hopeful that it will be selected.

Wishing each of you a very enjoyable summer and all the best,

David E. Sharp FCI Arb
NAB Chair

Cross-Over Issues and Trends in International Arbitration June 12, 2024 at 1:00pm Eastern

Featuring **Nelson Edward Timken FCIArb**
(Timken Dispute Resolution, New York / Florida)

This webinar will delve into key crossover issues encountered in arbitration proceedings, exploring common themes and trends, such as the increasing complexity of arbitration involving multiple parties, intricate factual scenarios, and legal questions spanning various jurisdictions necessitating choice of law analysis.

With the rise of international trade and investment, there has been a notable surge in cross-border disputes, presenting challenges stemming from diverse legal systems, cultures, and languages. Construction disputes often revolve around delays, cost overruns, and technical defects, while energy disagreements typically center on pricing, long-term contracts, and environmental regulations. In technology arbitrations, the focus is primarily on intellectual property, licensing, and data privacy issues. Given this landscape, it becomes crucial for arbitration panels to develop effective strategies for managing complex proceedings. These strategies may include early case assessment, proactive case management, leveraging experts, fostering communication and transparency, and implementing cost-control measures.

The webinar will address key issues relating to the scope of arbitration agreements, challenges to arbitral awards, confidentiality, emergency relief, and the enforceability of foreign arbitral awards.
